The Importance of Learning Tajweed:

What is "tajweed"? "Tajweed" means to recite every letter correctly, i.e. from its proper origin of pronunciation coupled with its stipulated attributes.

The Holy Qur'an says, "Indeed the believers are those who tremble in fear when Allah is remembered, and when the verses of the Qur'an are recited before them it increases their belief; and upon Allah they have complete trust." (8:2) The Holy Qur'an also says, "And recite the Qur'an with Tarteel (in a slow pleasant tone and style)." (73:4)

The Prophet Muhammad (SAW) said, "Indeed Allah (SWT) desires that the Qur'an be recited in the manner it was revealed." When asked about the meaning of Tarteel, Ali (RA) replied, "It means that the Qur'an should be recited with Tajweed and with due observance to the rules of Waqf (pausing or stopping at the end of the verse)."

Therefore, when a believer recites the Qur'an in the correct manner, it increases his faith and belief in Allah. Reciting the Qur'an in the correct manner means to recite it with Tajweed.
